## OFFICE OF THE ASSISTANT DIRECTOR OF AGRICULTURE, SHIMOGA CIRCLE, SHIMOGA.

Notification:

1 Notice is hereby given that sealed tenders will be received in the office of the undersigned up to 2 P.M. on 5th April 1948, for the transport of spraying materials noted in the schedule below. The quantities noted in the schedule are only approximate. The contractor will have to transport smaller or larger quantities at the rate accepted.

2 The tenders should be sent in the form below noting the rate per ton per mile at which the transport of materials will be undertaken. The mode of transport that will be employed by the tenderer such as lorry or bullock-carts should be indicated.

3 Each group specified in the schedule will be considered as a separate tender. The earnest money as shown in column 9 of the schedule should be deposited at the Government Treasury and the remittance challan should be produced along with the tender. Tenders not accompanied by the challan will be rejected.

4 The contractor shall be held responsible not only for delivering correct number and weight of the materials at the destination but also for safeguarding against damage by rain or other causes during the time they remain in his charge.

5 The rates tendered will be inclusive of all handling charges; i.e., unloading and loading at points of receipt, and unloading and depositing at points of delivery.

6 The contractor should undertake the transport promptly on receipt of the material. The material will be given to the contractor at intervals during a period of six months (either whole or in part) at the stations noted in the schedule. This contract will be in force for six months from the date of acceptance of the tender.

7 The final acceptance of the tender vests with the Director of Agriculture who does not bind himself to accept the lowest or any tender or to assign any reason therefor.

8 In case of dispute of any kind with regard to the actual road mileage or any other aspect of the contract, the decision of the undersigned shall be final.

9 Whenever departmental lorries are available for transport work on any of the routes indicated in the schedule, such transport work will be got done departmentally, for which the contractor should have no objection.

10 Within eight days after the acceptance of the tender is notified to the successful tenderer, he will be required to deposit as security the amounts noted in column 10 of the schedule and to execute the usual agreement for the due fulfilment of the contract, in default of which his tender will be considered as cancelled and his earnest money will be forfeited to Government.

(i) The tenders must be superscribed as "Tender for the transport of spraying materials".

(ii) The tenders will be opened by the undersigned at his office at 3 P.M. on 5th April 1948 and such of the tenderers as may choose to be present may be present at the time.
